Mission statement: Health Professionals for Life (CLG) is an Irish voluntary organisation for Health Professionals who desire to uphold the practice of healthcare as a service to human life with potential, at all stages. It is open to all Health Professionals, in practice, retired and students. It aims to provide evidence-based and factual information to Health Professionals and others who are concerned with the ethical questions relating to patient care and practitioner responsibility at all stages of human life.

Objective: The object of Health Professionals for Life is to offer educational and professional support to Health Professionals who are involved in the ethical questions relating to patient care and practitioner responsibility at all stages of human life.

Motto: Dilís don Bheatha – Faithful to Life

Application: I wish to apply for membership to Health Professionals for Life. I undertake to uphold the practice of healthcare as a service to human life. I believe in the inalienable right to life of human persons at all stages from conception to natural death. I consent to Health Professionals for Life storing my personal data in accordance with the requirements of the General Data Protection Act.
